

PROGRAMS, PRICES AND EXPLANATION

ENGLISH TIME LANGUAGE SCHOOLS (ETLS) has a branch in Las Vegas, London and Toronto. Over 48 000 students have graduated from English Time language Schools. English Time implements the most widely accepted 6-level education system in the world. In this model, we include mainly North American English, but also all different usages, considering that English learners should learn the usages from different parts of the world. At the first 4 levels, General English, and at the later 2 levels an Academic English education is given. Our courses are designed to help students practice all aspects of the English language emphasizing on oral fluency and systematical progress.

Learning English in Las Vegas will be an unforgettable and enjoyable experience in your life.
