In which camp would you like to work?

(We try to consider your request. You will be sent to another camp only with your knowledge and agreement)

Camp	here!	not at all!	don't care!
Beach Camp			
Adventure Camp			
English Camps*			
ESA Space Camp			
Deutsche Bank/ SOS Camp			

\* only for native English speakers, who would like to become English teacher.

### Beach Camp (05.08.-15.08. and 16.08.-26.08.)

Camp Adventure Beachcamp – German and international teamer organize much fun in our camp, which is only 50m from the beach. Skating, Biking (BMX), Surfing, English lessons, Beachsoccer, Beachvolleyball, Acrobatics, Drawing – fun and action guaranteed with 70-100 kids in a great location directly at the coast of the baltic see. Camp languages are English and German.

### Adventure Camp (25.07.-08.08. and 09.08.-23.08. and 24.08.-29.08.)

Camp Adventure in Bavaria – Adventure, nature and a great international camp. You will experience a wonderful and unforgettable summer. Due to our high teamer/camper ratio we can again offer more activities (with the same high standard of quality and security)! Canoeing, Kajaking, Climbing or Creative activities – there will be no boredom. The kids select after arrival, what they would like to do in camp. Camp languages are English and German.

### English Camps (04.07.-29.08.)

Only for English native speakers – in this camp the participants learn English away from school in a friendly and age-based way and fun environment. The daily camp life is in English including all games and activities. The camp will take place in 12 different camp locations in Germany, Austria and Spain with 12 – 90 children. In every camp you will find a german teamer from the organization, who is responsible for the activity program in the afternoons. Further he/she will be contact person for you and help you solving problems you have with the kids.

### ESA Space Camp (18.07.-01.08.)

Up to 150 kids from staff members of European Space Agency will experience a Space Camp with us for 2 weeks. Real astronauts will visit us in the camp and the children will be introduced by specialists (not us!) in Space Education Programs. We are responsible for anything else, especially the care of the children. The language in this camp is English only, as the kids come from countries from all over the world.

### Deutsche Bank/SOS Camp (15.08.-22.08.)

Approximately 100 kids from villages of the charity organization „SOS Kinderdorf“ will spend a great week full of fun and activities with us in this great austrian camp. From Water Rafting to High Ropes there are many possibilities for them to gain great and unforgettable experiences together.

How long would you like to work as a teamer (min 2 weeks, max 8 weeks)?
